

BODDINGTON FARM TRACK 2013

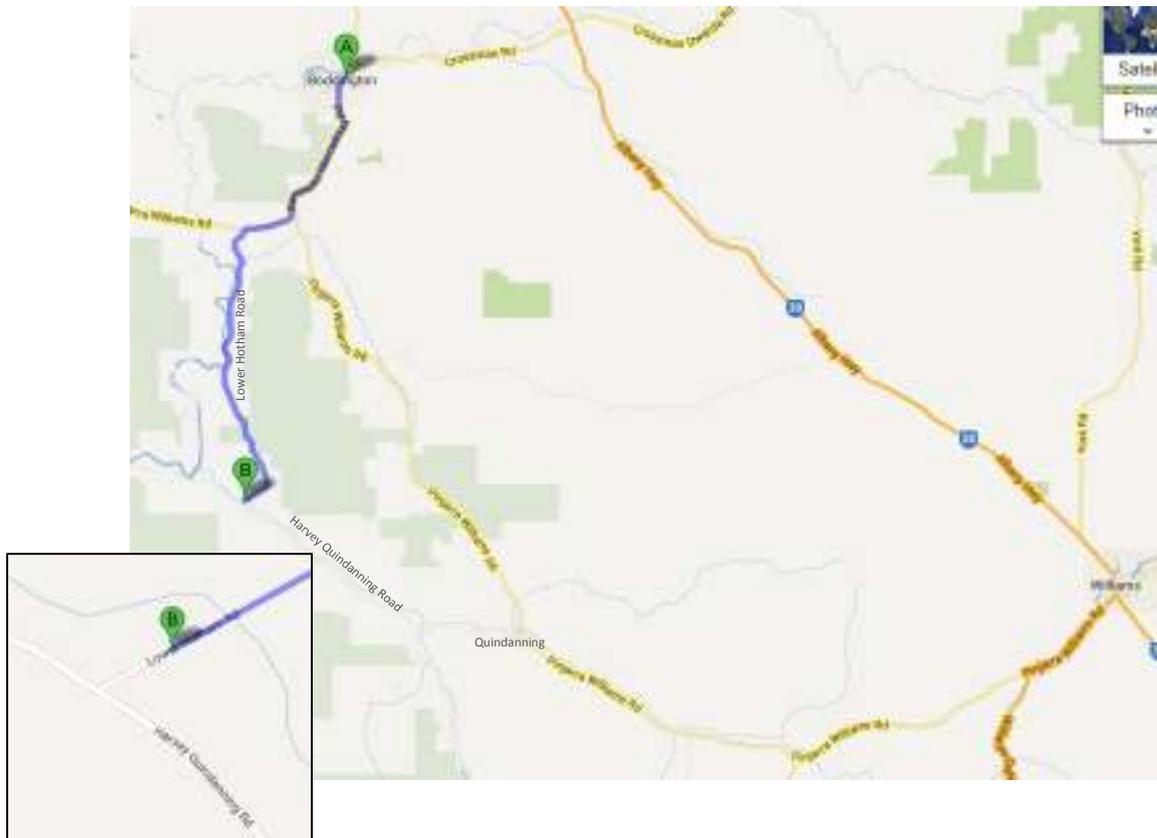

The Boddington track is on Lower Hotham Road, a few hundred meters north of the Harvey-Quindanning Road T junction.

We will have our usual VMX signs outside the property.

FROM BODDINGTON

If you come through Boddington, follow Bannister Road and continue straight through town onto Bannister Marradong Road and continue straight onto Pinjarra Williams Road. Turn left onto the Lower Hotham Road.

Approximately 15km down Lower Hotham road you should see the VMX signs. If you get to Harvey-Quindanning Road T junction you've gone a few hundred meters too far.

FROM QUINDANNING

If you come through Quindanning off Pinjarra Williams Road (off Albany Hwy in Williams), at Quindanning turn left onto Harvey-Quindanning Road. After approximately 16km turn right into Lower Hotham Road, the track is a few hundred meters after the intersection.
